Attendance Zones

This map represents the current Spring ISD attendance zones. Attendance zones are adopted by the Spring ISD Board of Trustees after hearing recommendations from the Spring ISD Boundary Committee, which is comprised of parents, business owners, community members and district resource staff. Attendance zones remain effective until changed by Board action.

Except in very specific circumstances, students are required to attend the school in the attendance zone in which they live.

A list of the elementary, middle and high schools to which each subdivision, apartment complex and manufactured home park is assigned is included on this map. Names of apartments may change when a change in ownership occurs.

Updated attendance zones can be found online at www.springisd.org under General Info. For more information, call 281-891-6000.
